For Our Guests: We have three worship services on Sunday morning... At 9AM we have a traditional service, with the hymns everyone loves with piano and organ; and another 9AM service called The Venue, a modern intimate acoustical style of worship. Our 10:30AM service is our family worship, a blended/contemporary service, with our praise band and Worship Choir.

At the same times, 9:00 and 10:30, Sunday School/Bible Study classes are being held; which means if you prefer a 9AM service, you would choose a 10:30 Bible Study or vice versa. There's a small group for everyone - Babies through Senior Adults. See a Greeter for a listing of Bible Study classes for you and your family.

As many of you know, we have been searching for the right person to fill a key administrative role in the life of our church. I am pleased to announce that after much prayer and patience, **Kathleen Robinson** will be our **new Business Operations Manager** effective **July 2**. In her new role, Kathleen will be responsible for administrative functions including church finances, human resources, building and space management, resource allocation and day to day operations. Kathleen has been a member of our office staff for almost **11 years** as **Ministry Assistant/Programs**, which included many other assignments and responsibilities. We are excited for the many opportunities that lie ahead with Kathleen serving in this new position. Please join me in praying for Kathleen and the office staff as we prepare to reorganize and get ready for the amazing future God has in store for us.
