Welcome! We've been waiting for you! It's true, because we believe that every person who comes into the circle of this special fellowship was sent by God Himself. It's not by accident that we have the joy of meeting you. So, above all else, we want to express Christ's love to you with genuine, heartfelt warmth. We're eager to know you, and we're excited to share with you the marvelous ways God is working in our church.

As you attend Bible study, notice how Sunday School helps you "connect" with people. It is our hope that you will grow and encourage others to investigate the claims of Christ on their lives. There is no better place to grow in Christ than through Sunday School!!

If you've been thinking, praying, searching and hoping for a place to belong, we say again... *Welcome*
